

Visitor Policy: St. Patrick School is a Closed Campus

During the school day, all parents and other visitors must check at the office to get a visitor's badge before going to the individual classrooms. This safety measure enables us to monitor who is in the building. Parents are asked not to go to the classroom to deliver items to the students; their items are to be left in the office and will be delivered. Also, please refrain from waiting outside the classroom prior to dismissal since this often distracts students from end of the day information. *If requesting a visit to your child's classroom, we ask for 24 hours notice to appropriately notify the teacher of the time, subject area to be observed, nature of the visit, etc. We do encourage parental observations, while respecting teacher instructional time, and will always facilitate classroom visits.*
