Thank you for adding to the power of our prayer by your presence in our midst today.

We hope you feel welcome and return when you are in the area again!

Loved this weekend's homily so much you wanted to hear it again?

Saint Patrick Catholic Church has entered the digital age with homilies on demand.

Homilies are now available on the website for you to listen to again (and again) and listen deeply (and more deeply) each time you hit play.

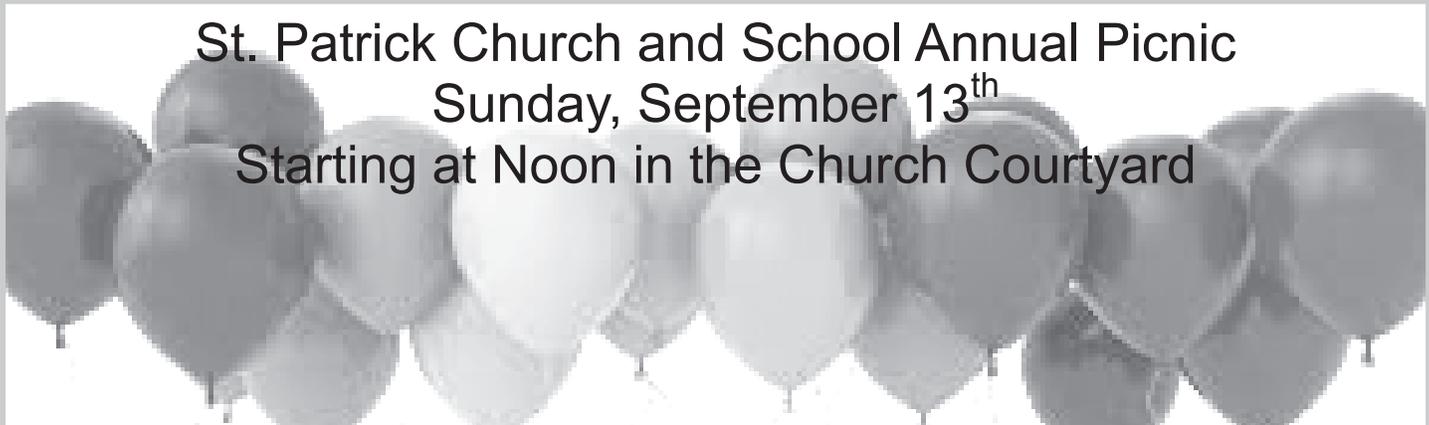

The Pope is on Instagram, Northwest Catholic Magazine is on Twitter,

Bishop-elect Robert Barron on YouTube and The Archdiocese of Seattle on Facebook.

Social media is a great way to keep in touch with St. Patrick and stay on top of happenings in the Catholic world so you can share the Good News with your friends and family.

You can subscribe to Saint Patrick Catholic Church on YouTube for quick and easy access to the weekly homily and follow us on Twitter and Instagram for photos and Like us on Facebook for links to the latest published news on the website.

Listen to the weekend's homily again. You might hear something you missed the first time.

Respect Life

The Good Shepherd lays down his life for his sheep. This theme is found also in the story of the Good Samaritan (Luke 10:25-37). When the Good Samaritan came along, he didn't ask, "If I help this man, what will happen to me?" Instead the Good Samaritan asked, "If I do not help this man, what will happen to him?" That's the question for us. If I do not address this evil, what will happen to the unborn? If I do not get involved, what will happen to those who are vulnerable, those who are marginalized in our society, those who are oppressed, those who have no one to speak for them?

There are many ways to help, publicly or privately, individually or as a group, occasionally or more regularly, by giving your time or your experience or expertise or financially. Call Paddie at: 627-0162 .

Stewardship of Talent

**Strengths is the ability to provide consistent
near perfect performance in a given activity.**

Over 400 parishioners are currently exploring and
developing their God-given strengths,
or groups of talents.

The Strengths process helps us to better
understand our talent themes.

As we continue to explore these themes,
writings from our Church's documents or words
from spiritual writers about our relationship in
Christ as uniquely created children of God.

It's never too late to become involved in
Living Your Strengths,
you'll find much to deepen your relationship
with God and others.

For more information, contact Mary at: 383-2783
ext. 4109 or mrandall@saintpats.org.

People strong in
Self Assurance Strength
feel confident in their ability to manage their

Glad You Asked That! - Frequently Asked Questions Installment #6

Question - Is St. Pat's now a Jesuit Parish?

Answer

No. St. Pat's remains a diocesan parish, aided by the local Bellarmine Prep Jesuit community who have agreed to serve as parish priests, who will celebrate Mass and the Sacraments. We are blessed with the unique charisms of these Jesuit priests, particularly during this historic time of the first ever Jesuit Pope - Pope Francis. We are grateful for the opportunity to celebrate Mass with three very unique priests who will each, in his own way, accompany us on our journey with Christ.

Question - What's the future look like for St. Pat's?

Answer

That's a great question. In a nutshell it's bright and positive. We have a great team of leaders on the staff and in our ministry groups, and a wonderful group of parishioners. To prepare for the future, we recently assembled a Strategic Planning Team. This team (facilitated by Barbara Eckert, who works for the Catholic Leadership Institute (CLI), and comprised of representatives from our parish staff, various councils and commissions, and at large members) will soon begin the process of developing a long-range strategic plan for the parish. Parishioners will be well informed of the process and provided opportunities to participate in shaping the future of the parish. We can't plan our future without your input. Your parish staff is committed to being open and transparent throughout the entire planning process.

Cara to Cara Welcoming Reception

The Cara to Cara Ministry will be hosting a Welcoming Reception for our new priests and for all parishioners who joined St. Patrick this year.

The reception will be held after all Masses the weekend of September 26th and 27th.

At the Saturday night vigil on the 26th, the Cara to Cara hosts will be serving wine and cheese.

On the 28th after the Sunday Masses, scrumptious breakfast items will be served.

Please join us for this event that will also showcase our wonderful ministries and their leaders during our Stewardship of Talent weekend.

St. Patrick Church has an app for iPhone and Android smart phones!

Join in and stay connected with us all week long.

My Parish Apps great features will be a help to all of us, such as, daily Mass readings, Catholic news, prayers and prayer reminders, quick access to online giving, confession reminders and our weekly bulletin.

Be sure to download the App today by visiting myparishapp.com or searching for my parish your phone's App store.

Lighthouse Catholic Media

We continue to offer our parishioners Inspiring recorded presentations by leading Catholic clergy, theologians and lay speakers from Lighthouse Catholic Media. These present a practical and effective program to help Catholics **to know their faith - to keep their faith!**

A donation of \$3.00 is suggested. Please place your contribution in an envelope labeled "Spiritual CD donation" and give it to an usher, or place it in the collection basket.

We feel these Spiritual CDs are a valuable resource that help parishioners deepen their relationship with Jesus, please stop by and take a look for yourself.

Changes to the Safe Environment Program

Welcome to Virtus!

Effective July 1, 2015, the Archdiocese of Seattle has changed vendors and is now using VIRTUS for its training as well as for tracking Safe Environment compliance. VIRTUS offers a comprehensive program, including Safe Environment training for adults as well as children and youth. VIRTUS also provides a more convenient way for participants to register, read and sign Safe Environment policies online, fill out information for a criminal background check and register for a Safe Environment class.

How will the changes affect you?

All current employees and volunteers who have already completed the Safe Environment requirements will be automatically transferred into the new database. VIRTUS will send log-on information to every current participant by the end of August. Those who have already attended a Called to Protect for Ministries class will not be required to take the VIRTUS foundation class, Protecting God's Children. These individuals will be notified by VIRTUS when it is time to renew their background check and/or take an online refresher course, which is now required every three years.

New employees and volunteers will be able to log-on to VirtusOnline.org, establish their account and follow the steps to becoming compliant with all Safe Environment requirements.

Watch for more information in the coming weeks.

Each parish and school in the Archdiocese of Seattle has a designated Safe Environment coordinator who will be assisting employees, volunteers and parents with this transition.

Please do not hesitate to contact your coordinator with your questions or concerns.

School volunteers, please contact Bonnie Viafore at: 272-2297 ext. 4132

Parish Volunteers, please contact Michelle Carpenter at: 383-2783 ext. 4103

As always, we thank you for your commitment to keeping our parishes and schools safe and healthy for our children, youth and vulnerable adults.
