Form One girls and boys in front of Conference Hall on Day One – nice uniforms and big smiles!

Teachers look over good reference resources in our library – more materials needed in the future!

Moving in on First Day, girls try out bunk beds in Girls' Dormitory – very comfortable!

Boys' dormitories have good bunk beds for good sleep, well-rested students for another day of school!

Good meals served and eaten in a good environment make for healthy and happy and students!

Sitting outside of Administration Block, Teachers are getting well briefed on First Day!

“Dreams are becoming realities” – 07 September 2015 was the First Day of enrolment for 144 girls and boys boarders coming in to Form One (Grade Nine) in our new Jesuit school in Malawi.
